Future Ready

Learn. Automate. **Innovate**

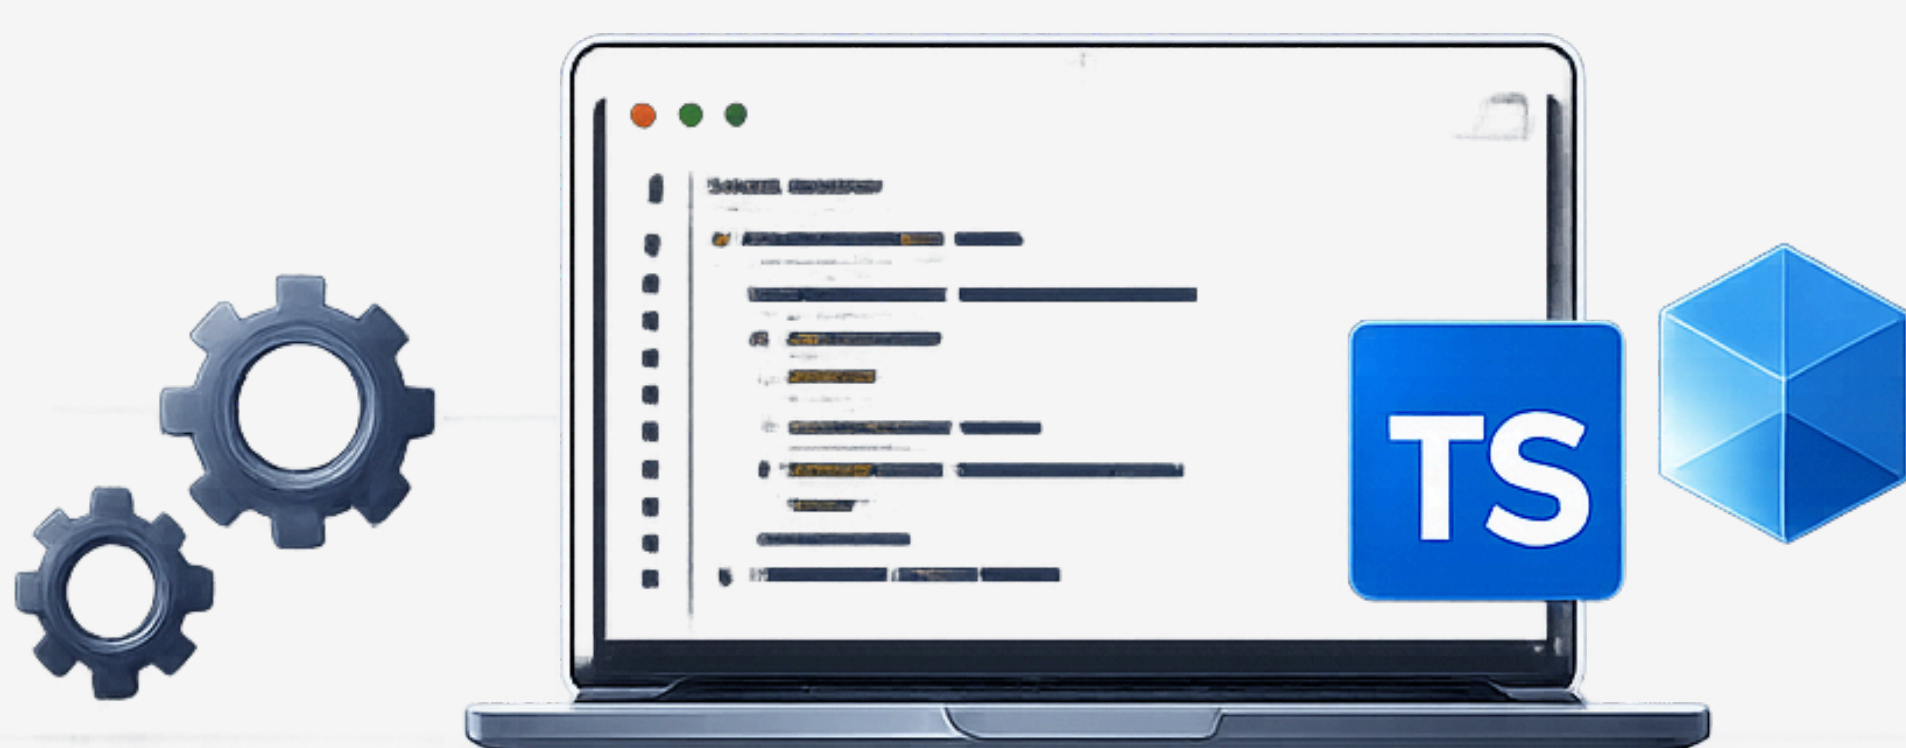

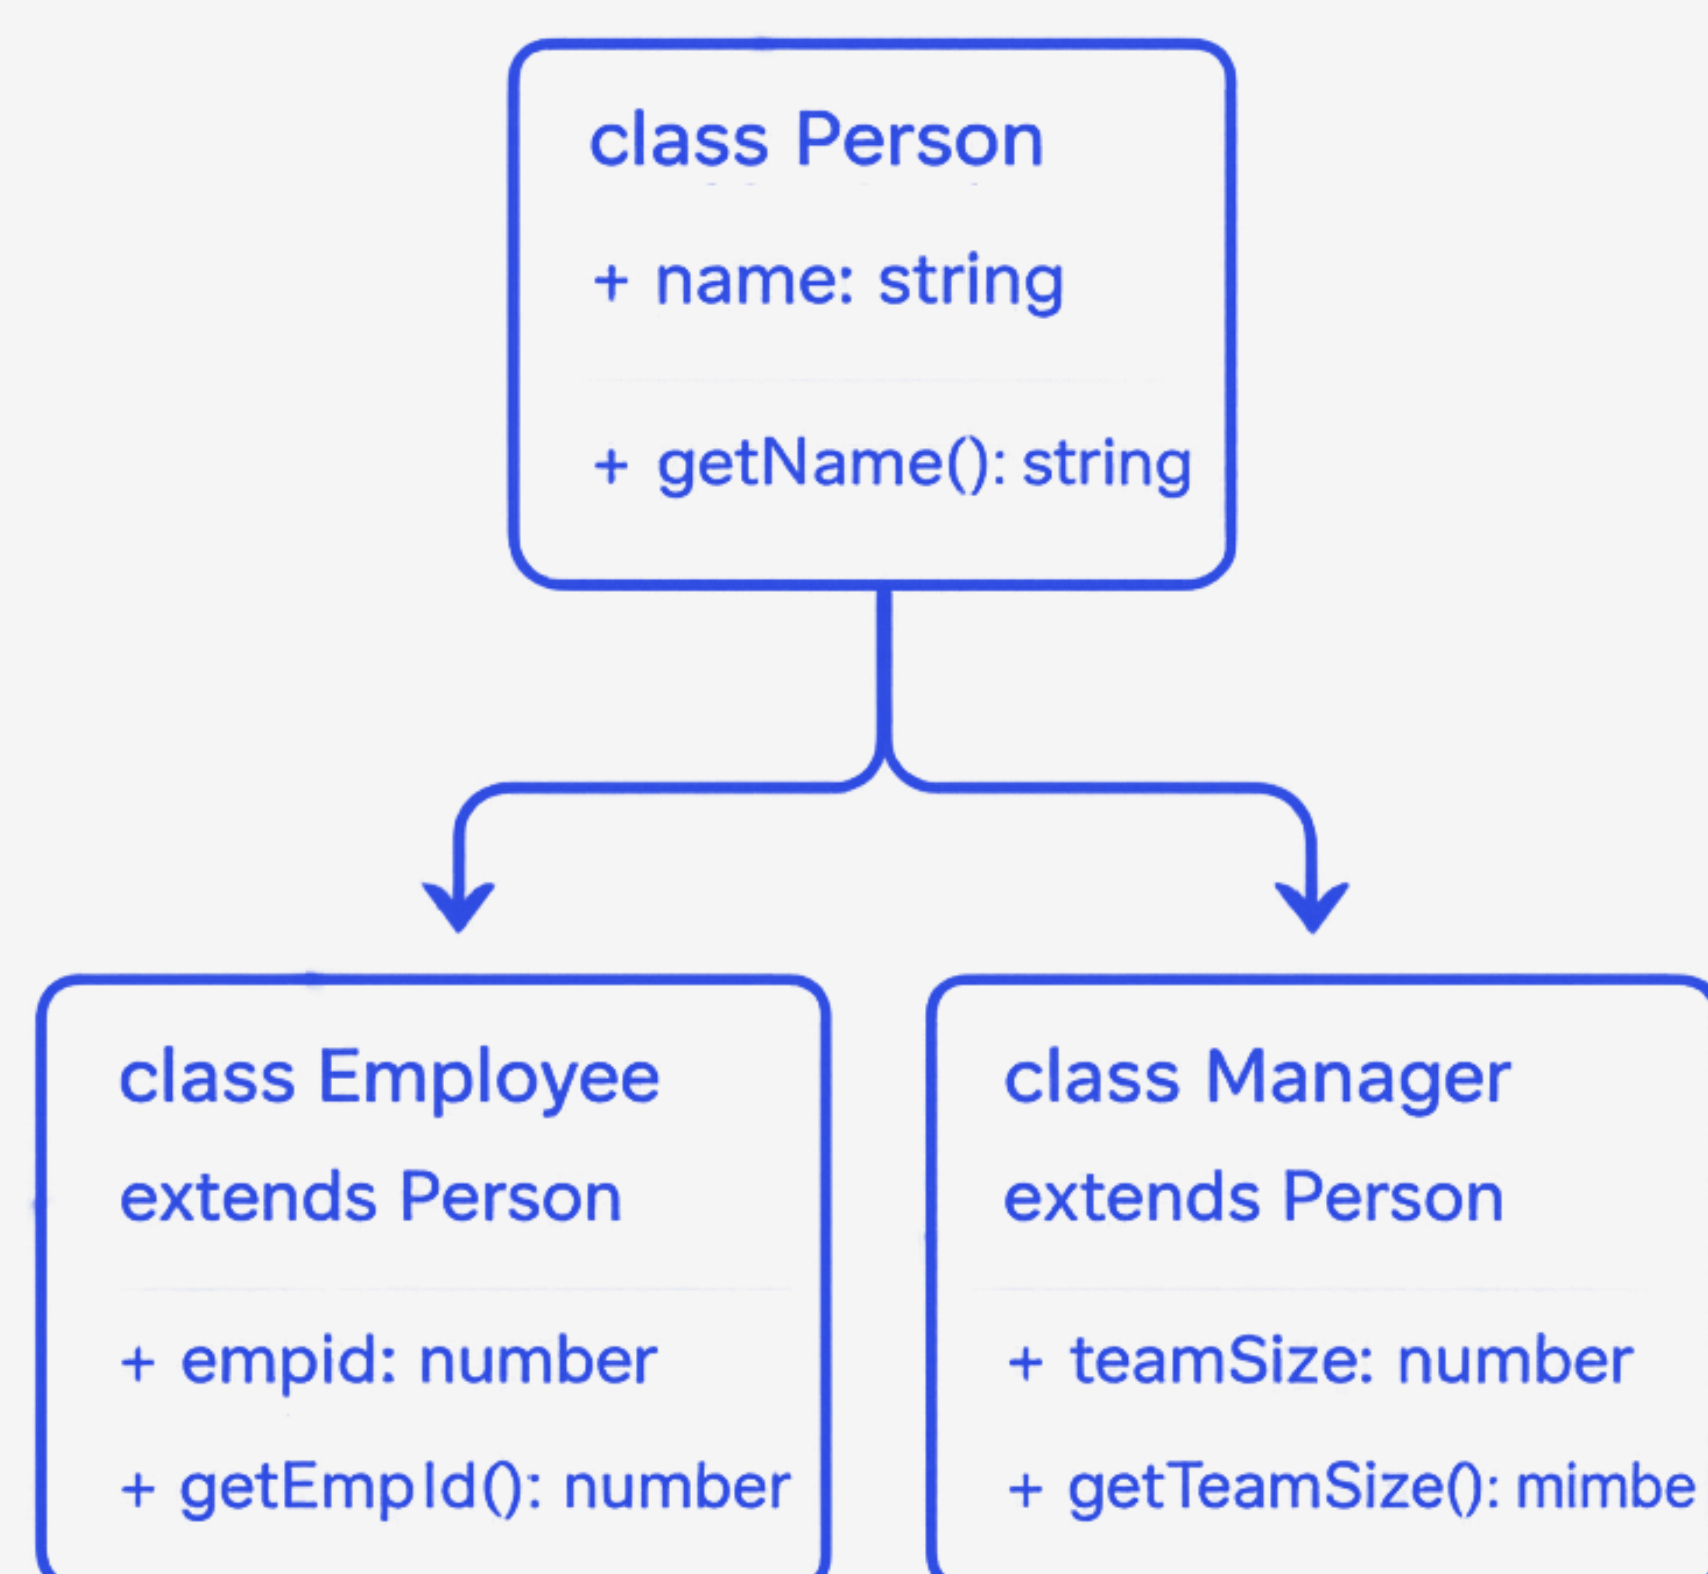

# JAVASCRIPT/ TYPESCRIPT

- Introduction to Software Testing
- Installations
- Variables (var, let, const)
- Data Types
- Operators
- Control Statements
- String Methods
- Data Conversions
- Exception Handling (try-catch, finally, throw)

# OBJECT-ORIENTED PROGRAMMING USING TYPESCRIPT

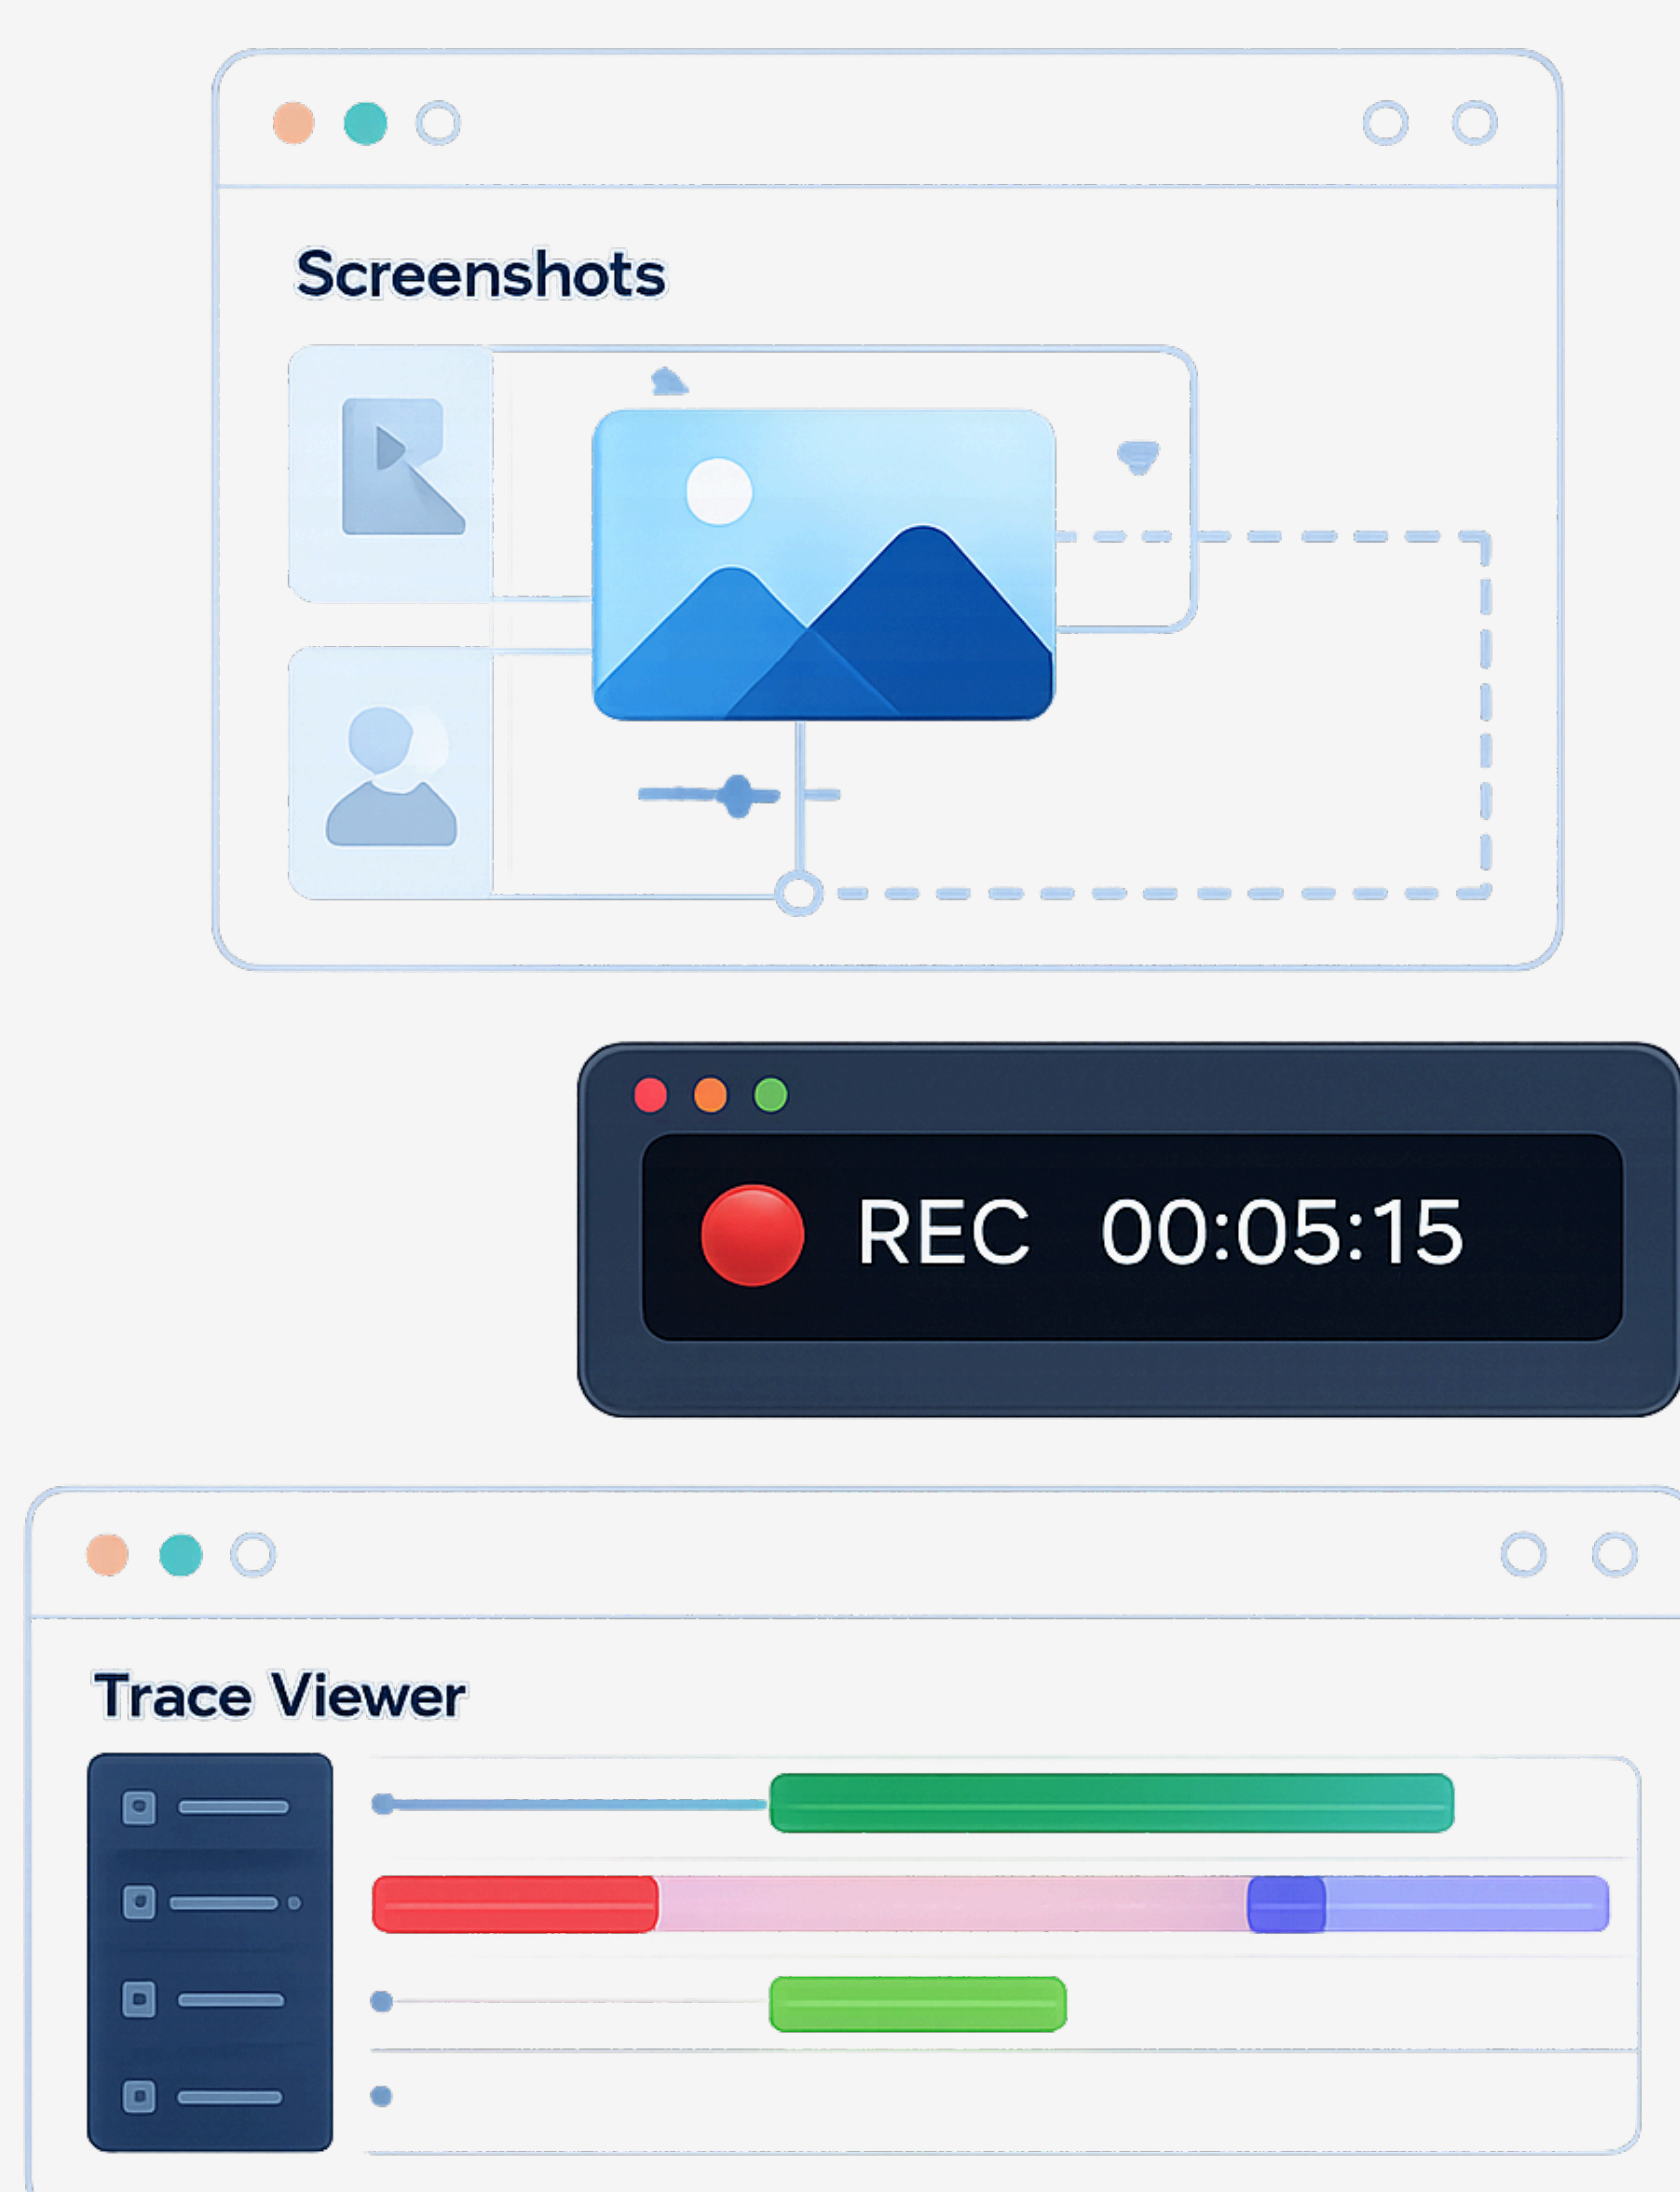

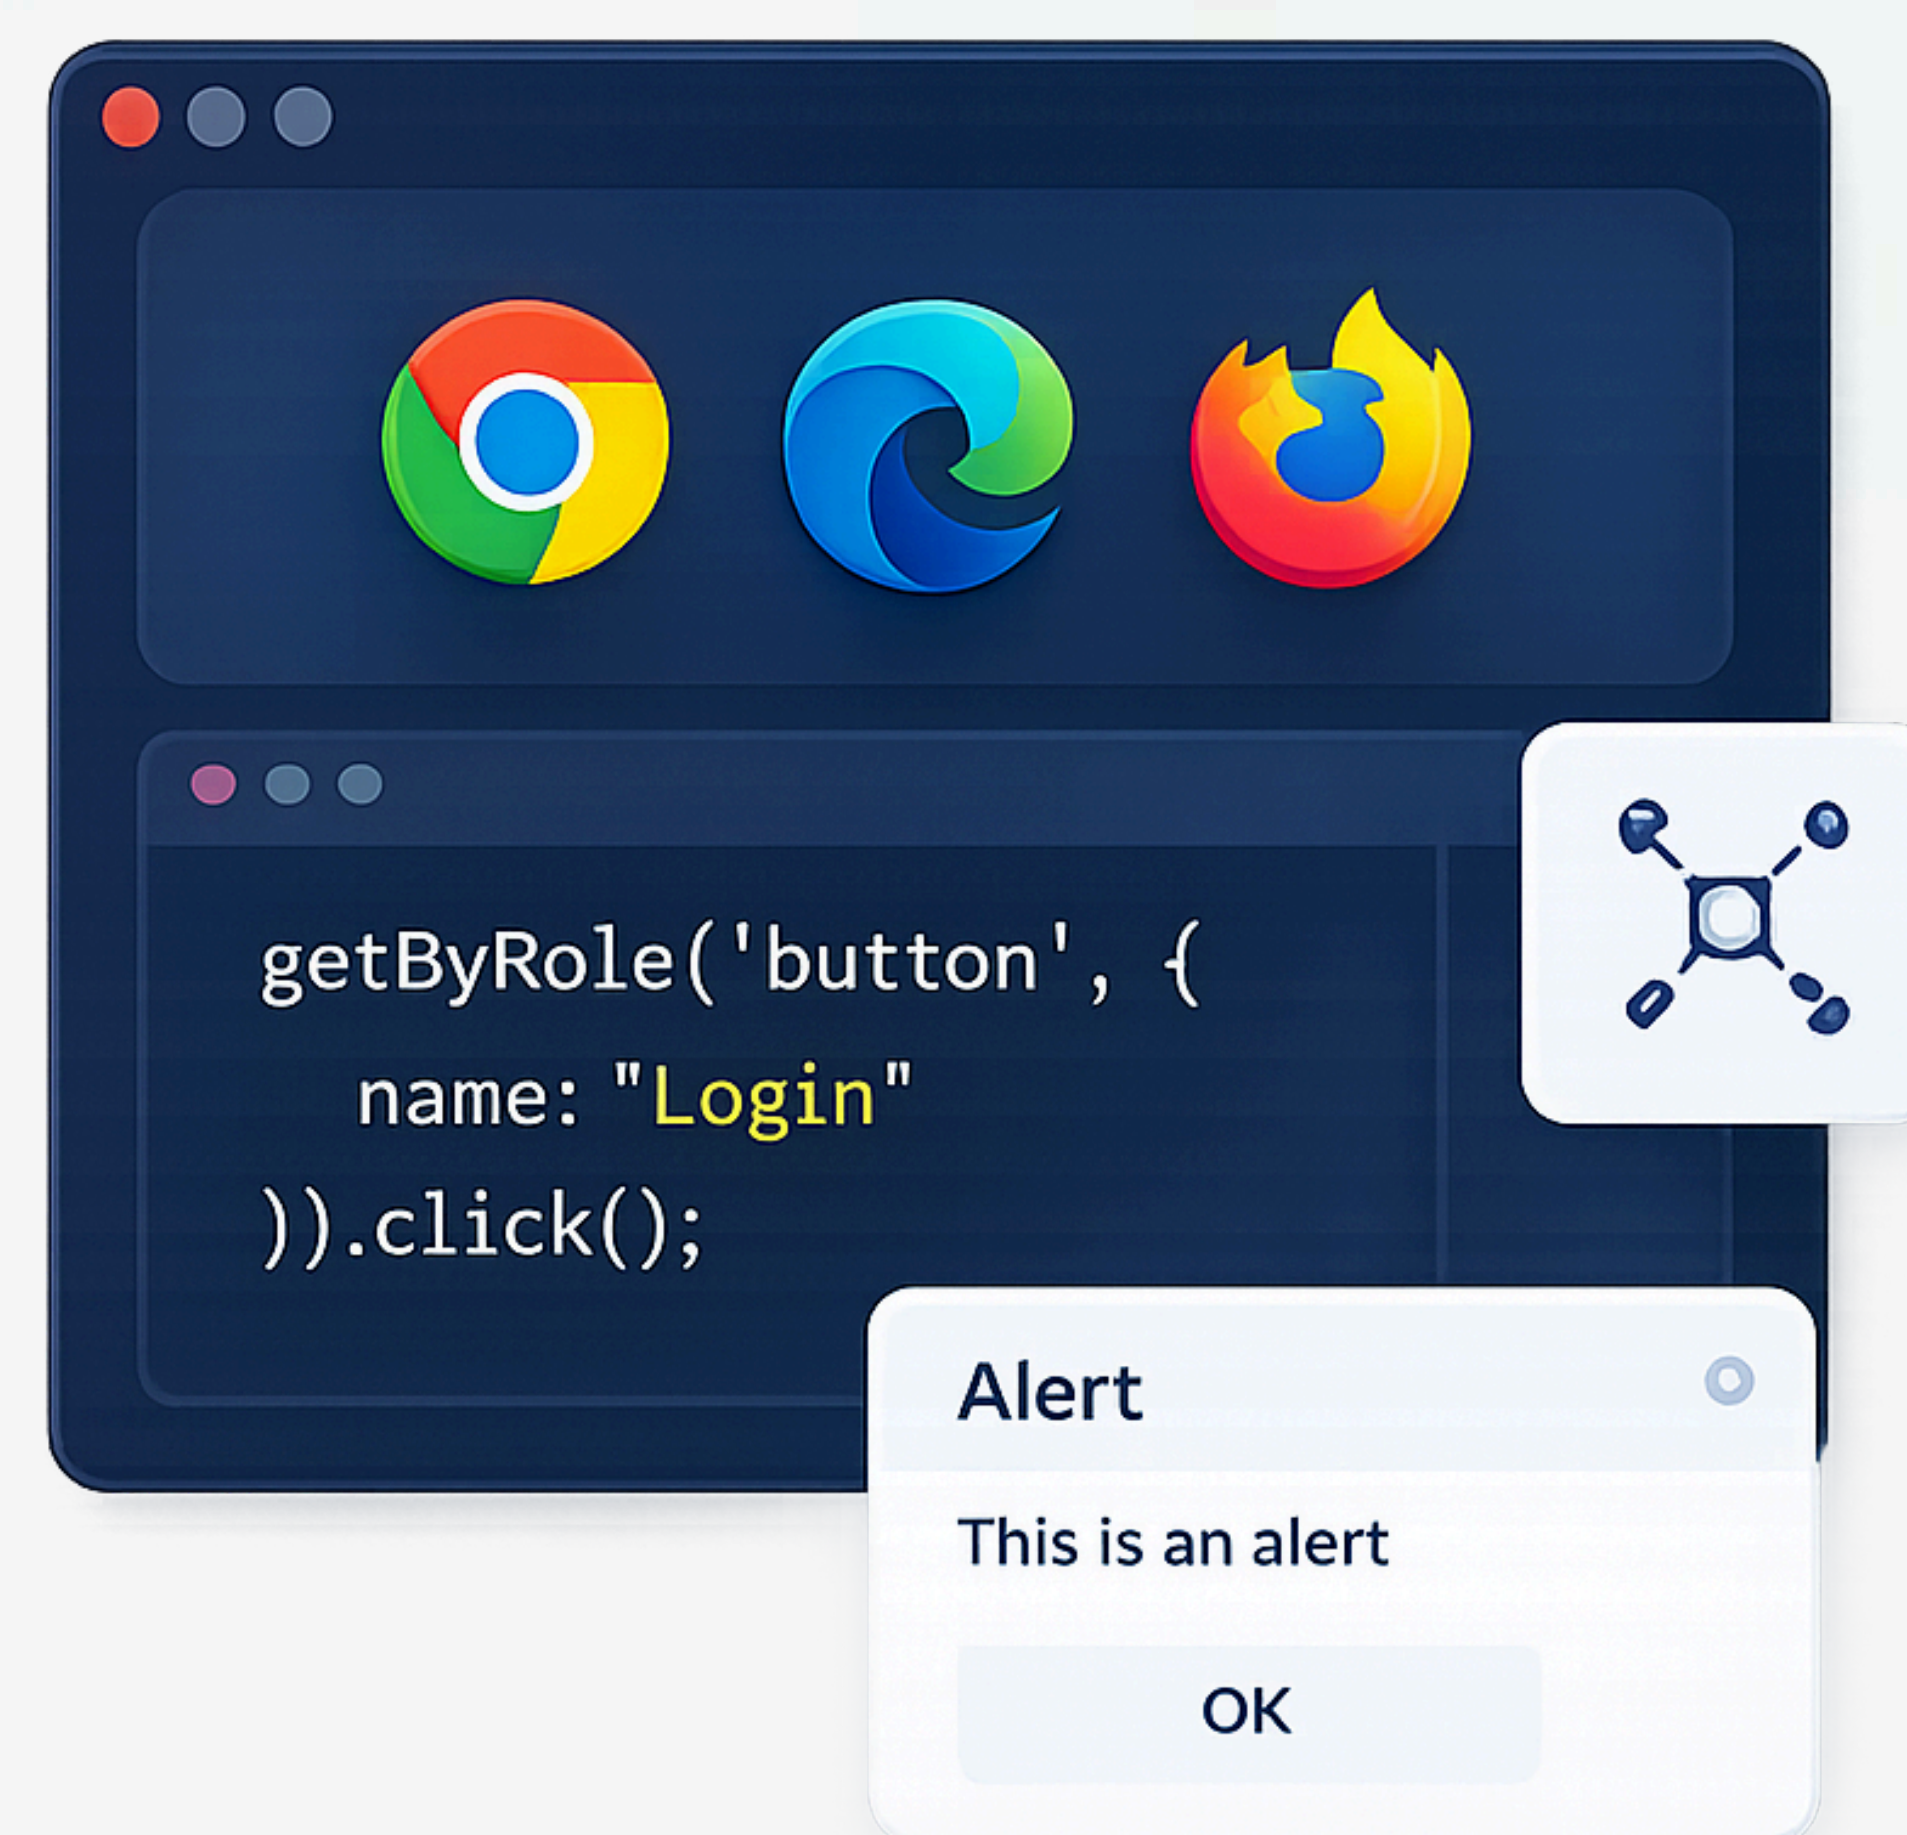

- Functions
- Inheritance
- Methods
- Constructors
- Super vs This
- Abstraction
- Encapsulation
- Prototype
- Callback Functions

# PLAYWRIGHT WITH TYPESCRIPT/JAVASCRIPT

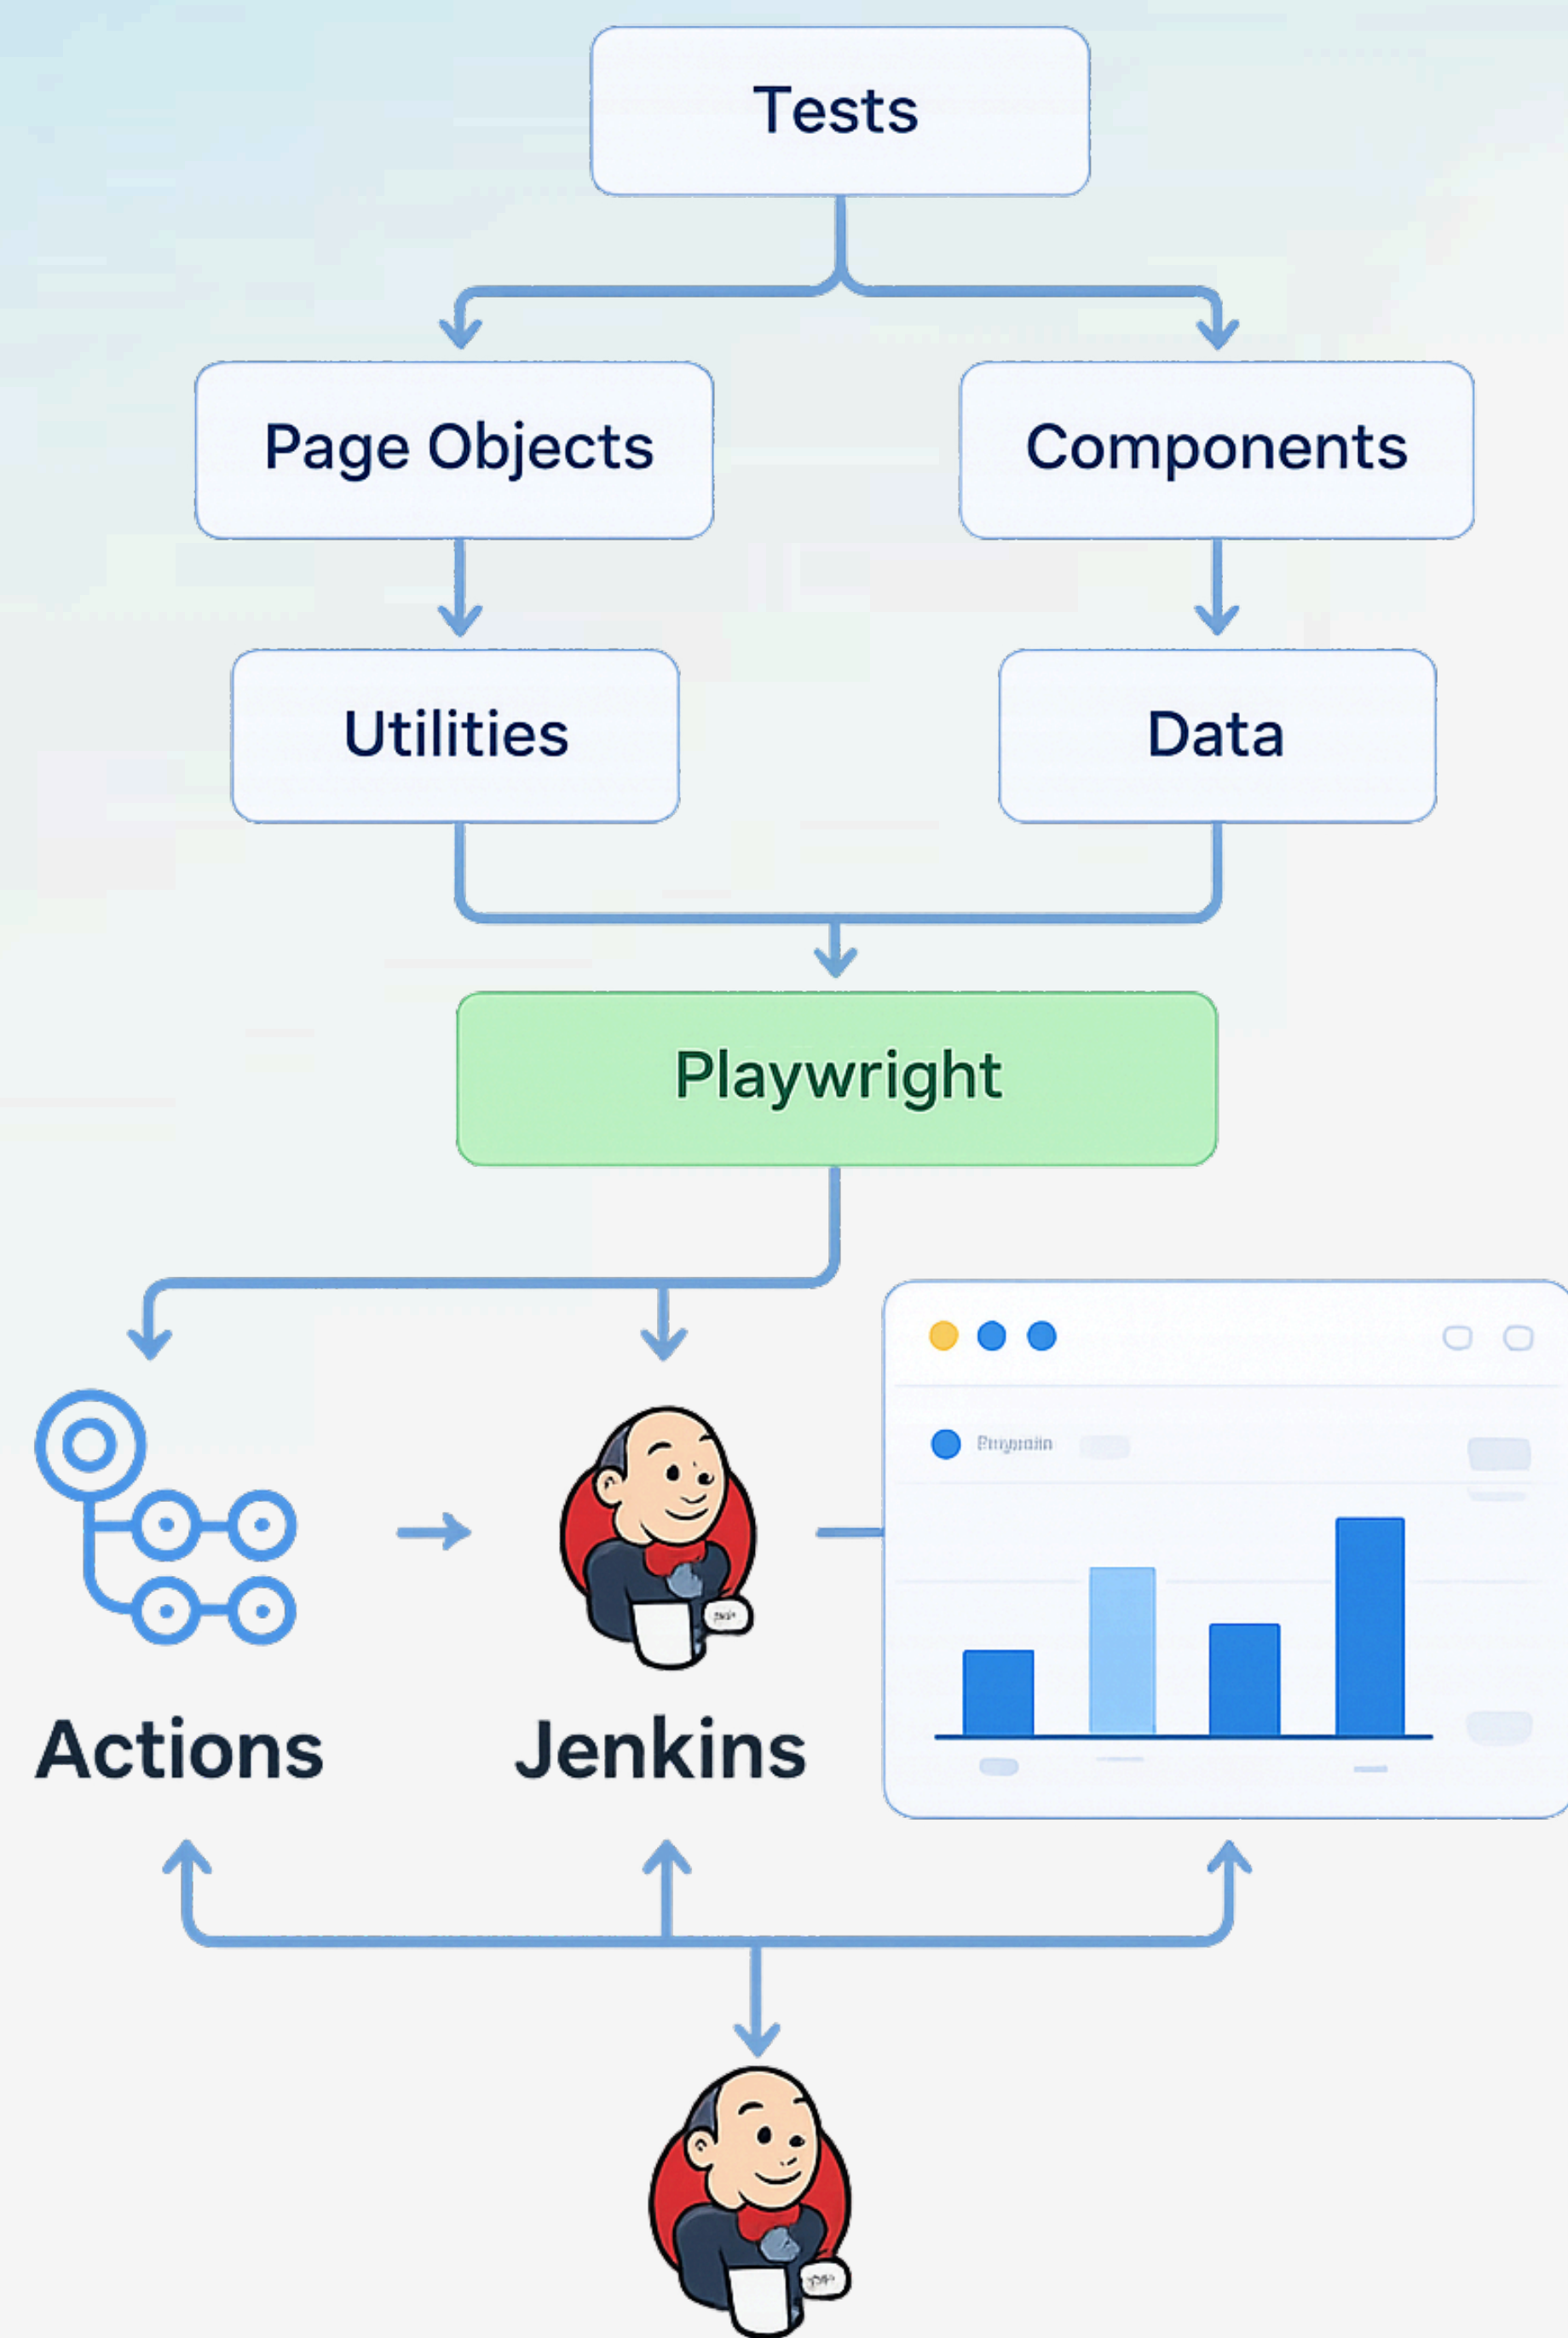

- Playwright Fundamentals
- Browser Types
- Browser Contexts
- Pages & Navigation
- Auto Waiting
- Locators (Role, Text, Label, Placeholder, TestId)
- XPath & CSS
- Web Elements
- Tabs & Popups
- IFrames
- Alerts & Dialogs

## PLAYWRIGHT FEATURES

- Screenshots
- Element Screenshots
- Full Page Screenshots
- Video Recording
- Trace Viewer

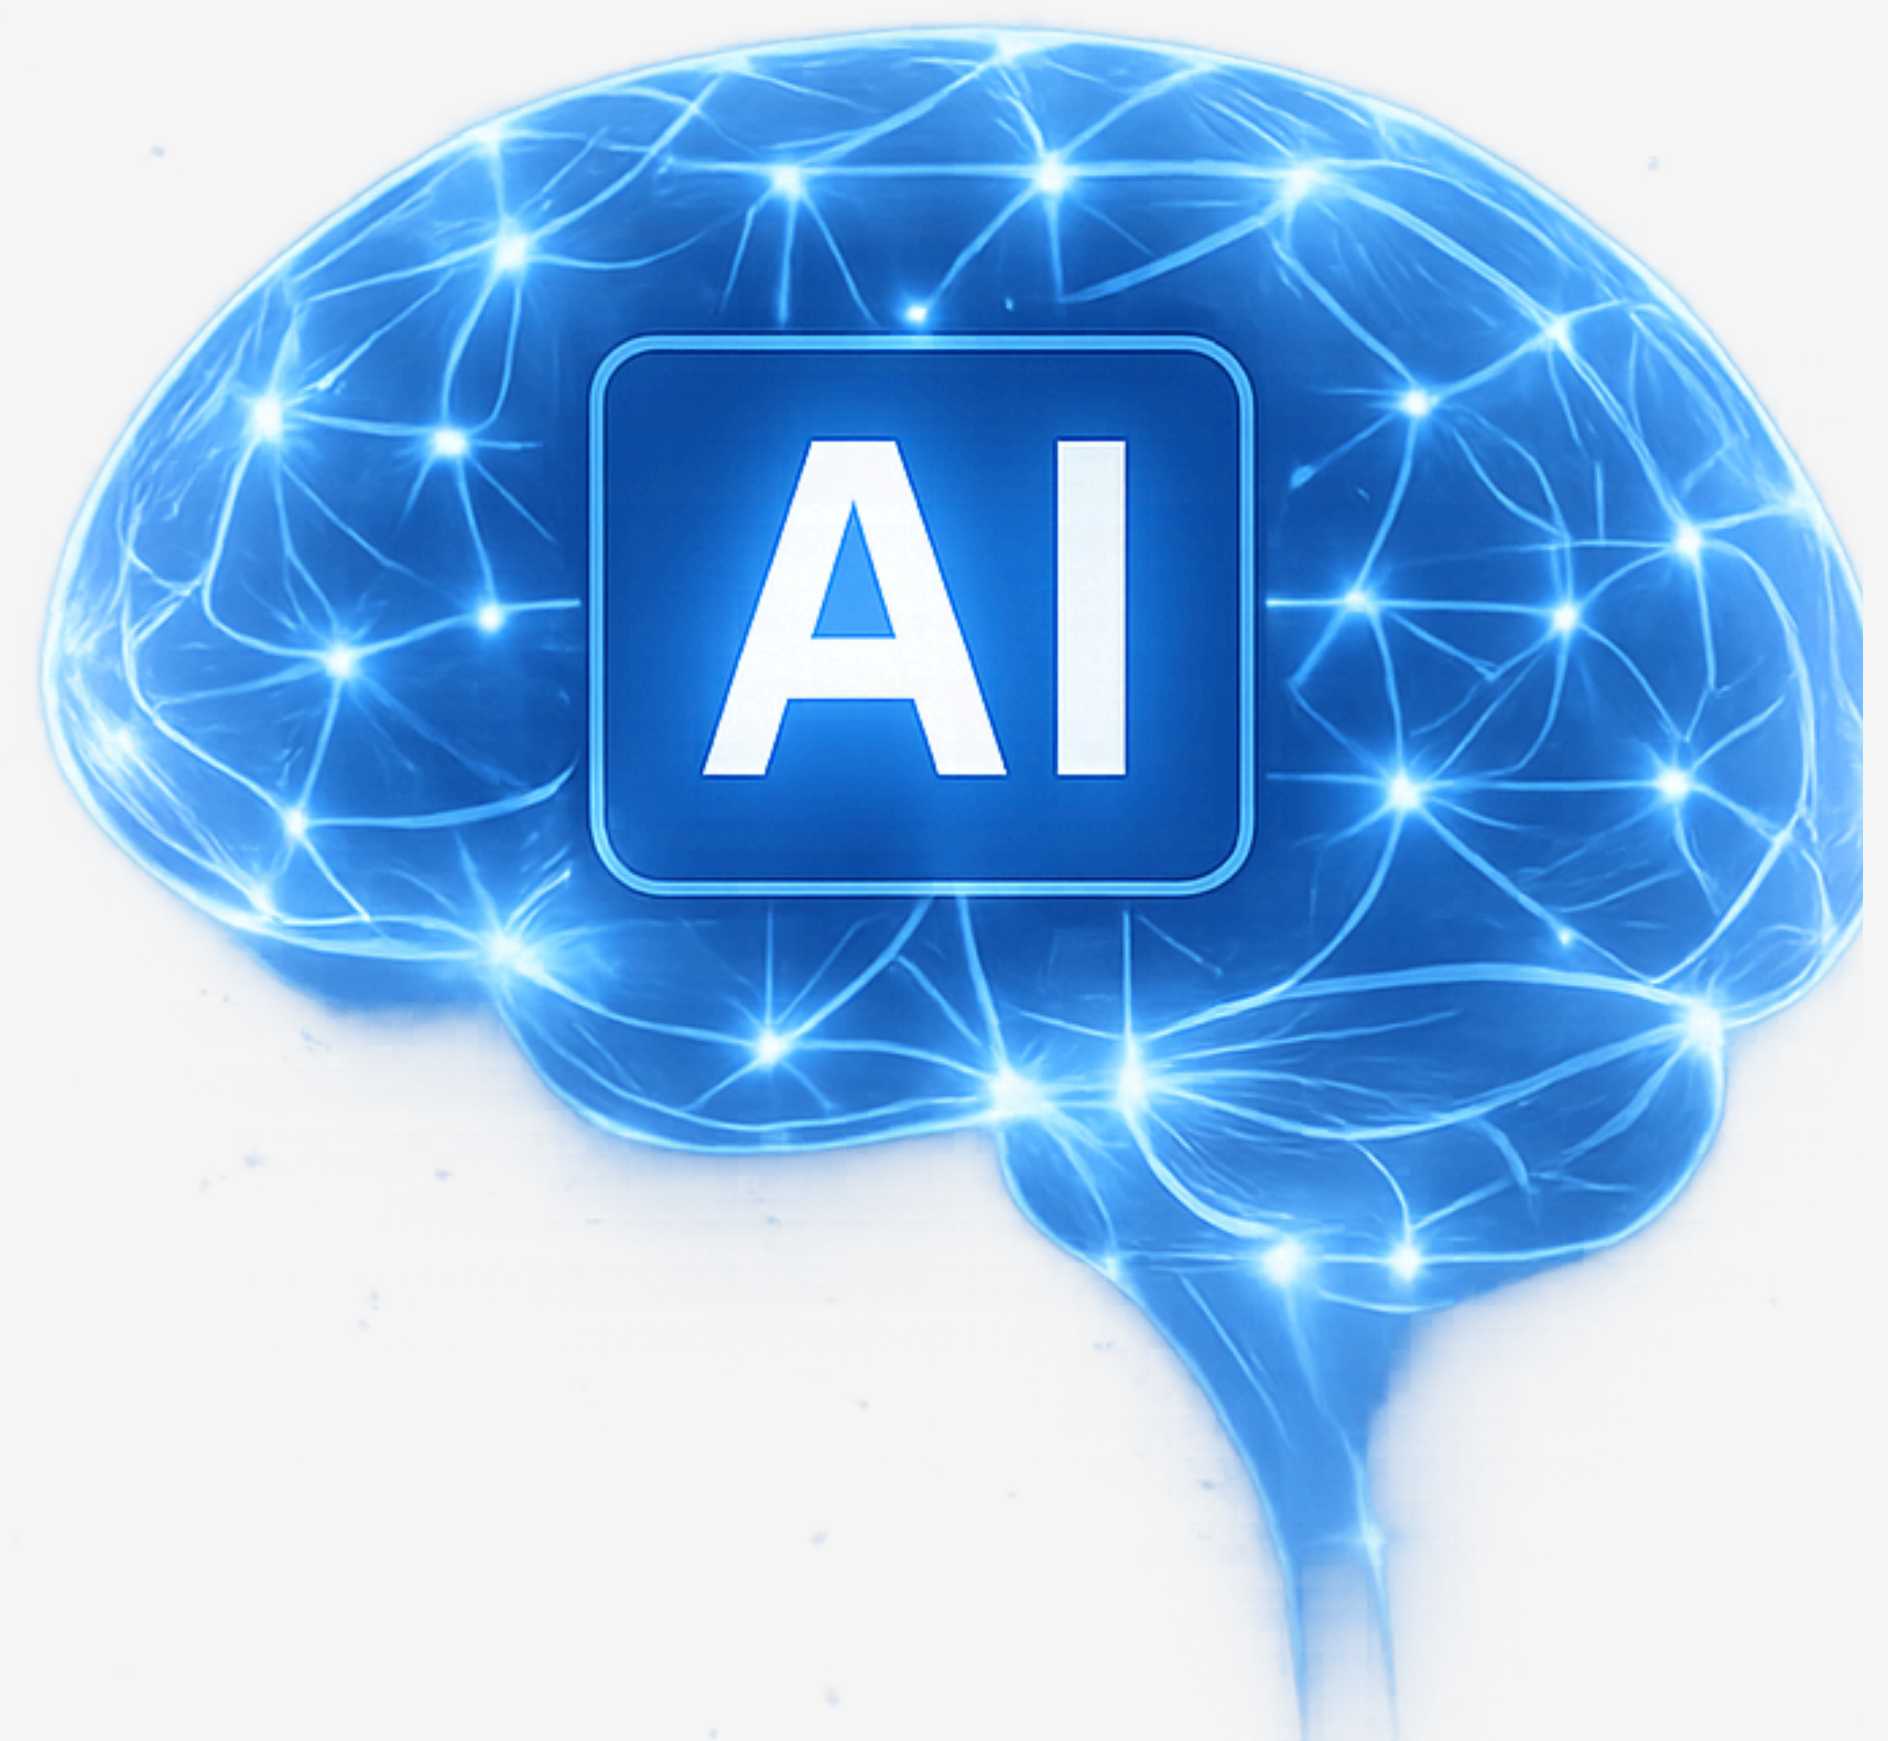

## PLAYWRIGHT FRAMEWORK DEVELOPMENT

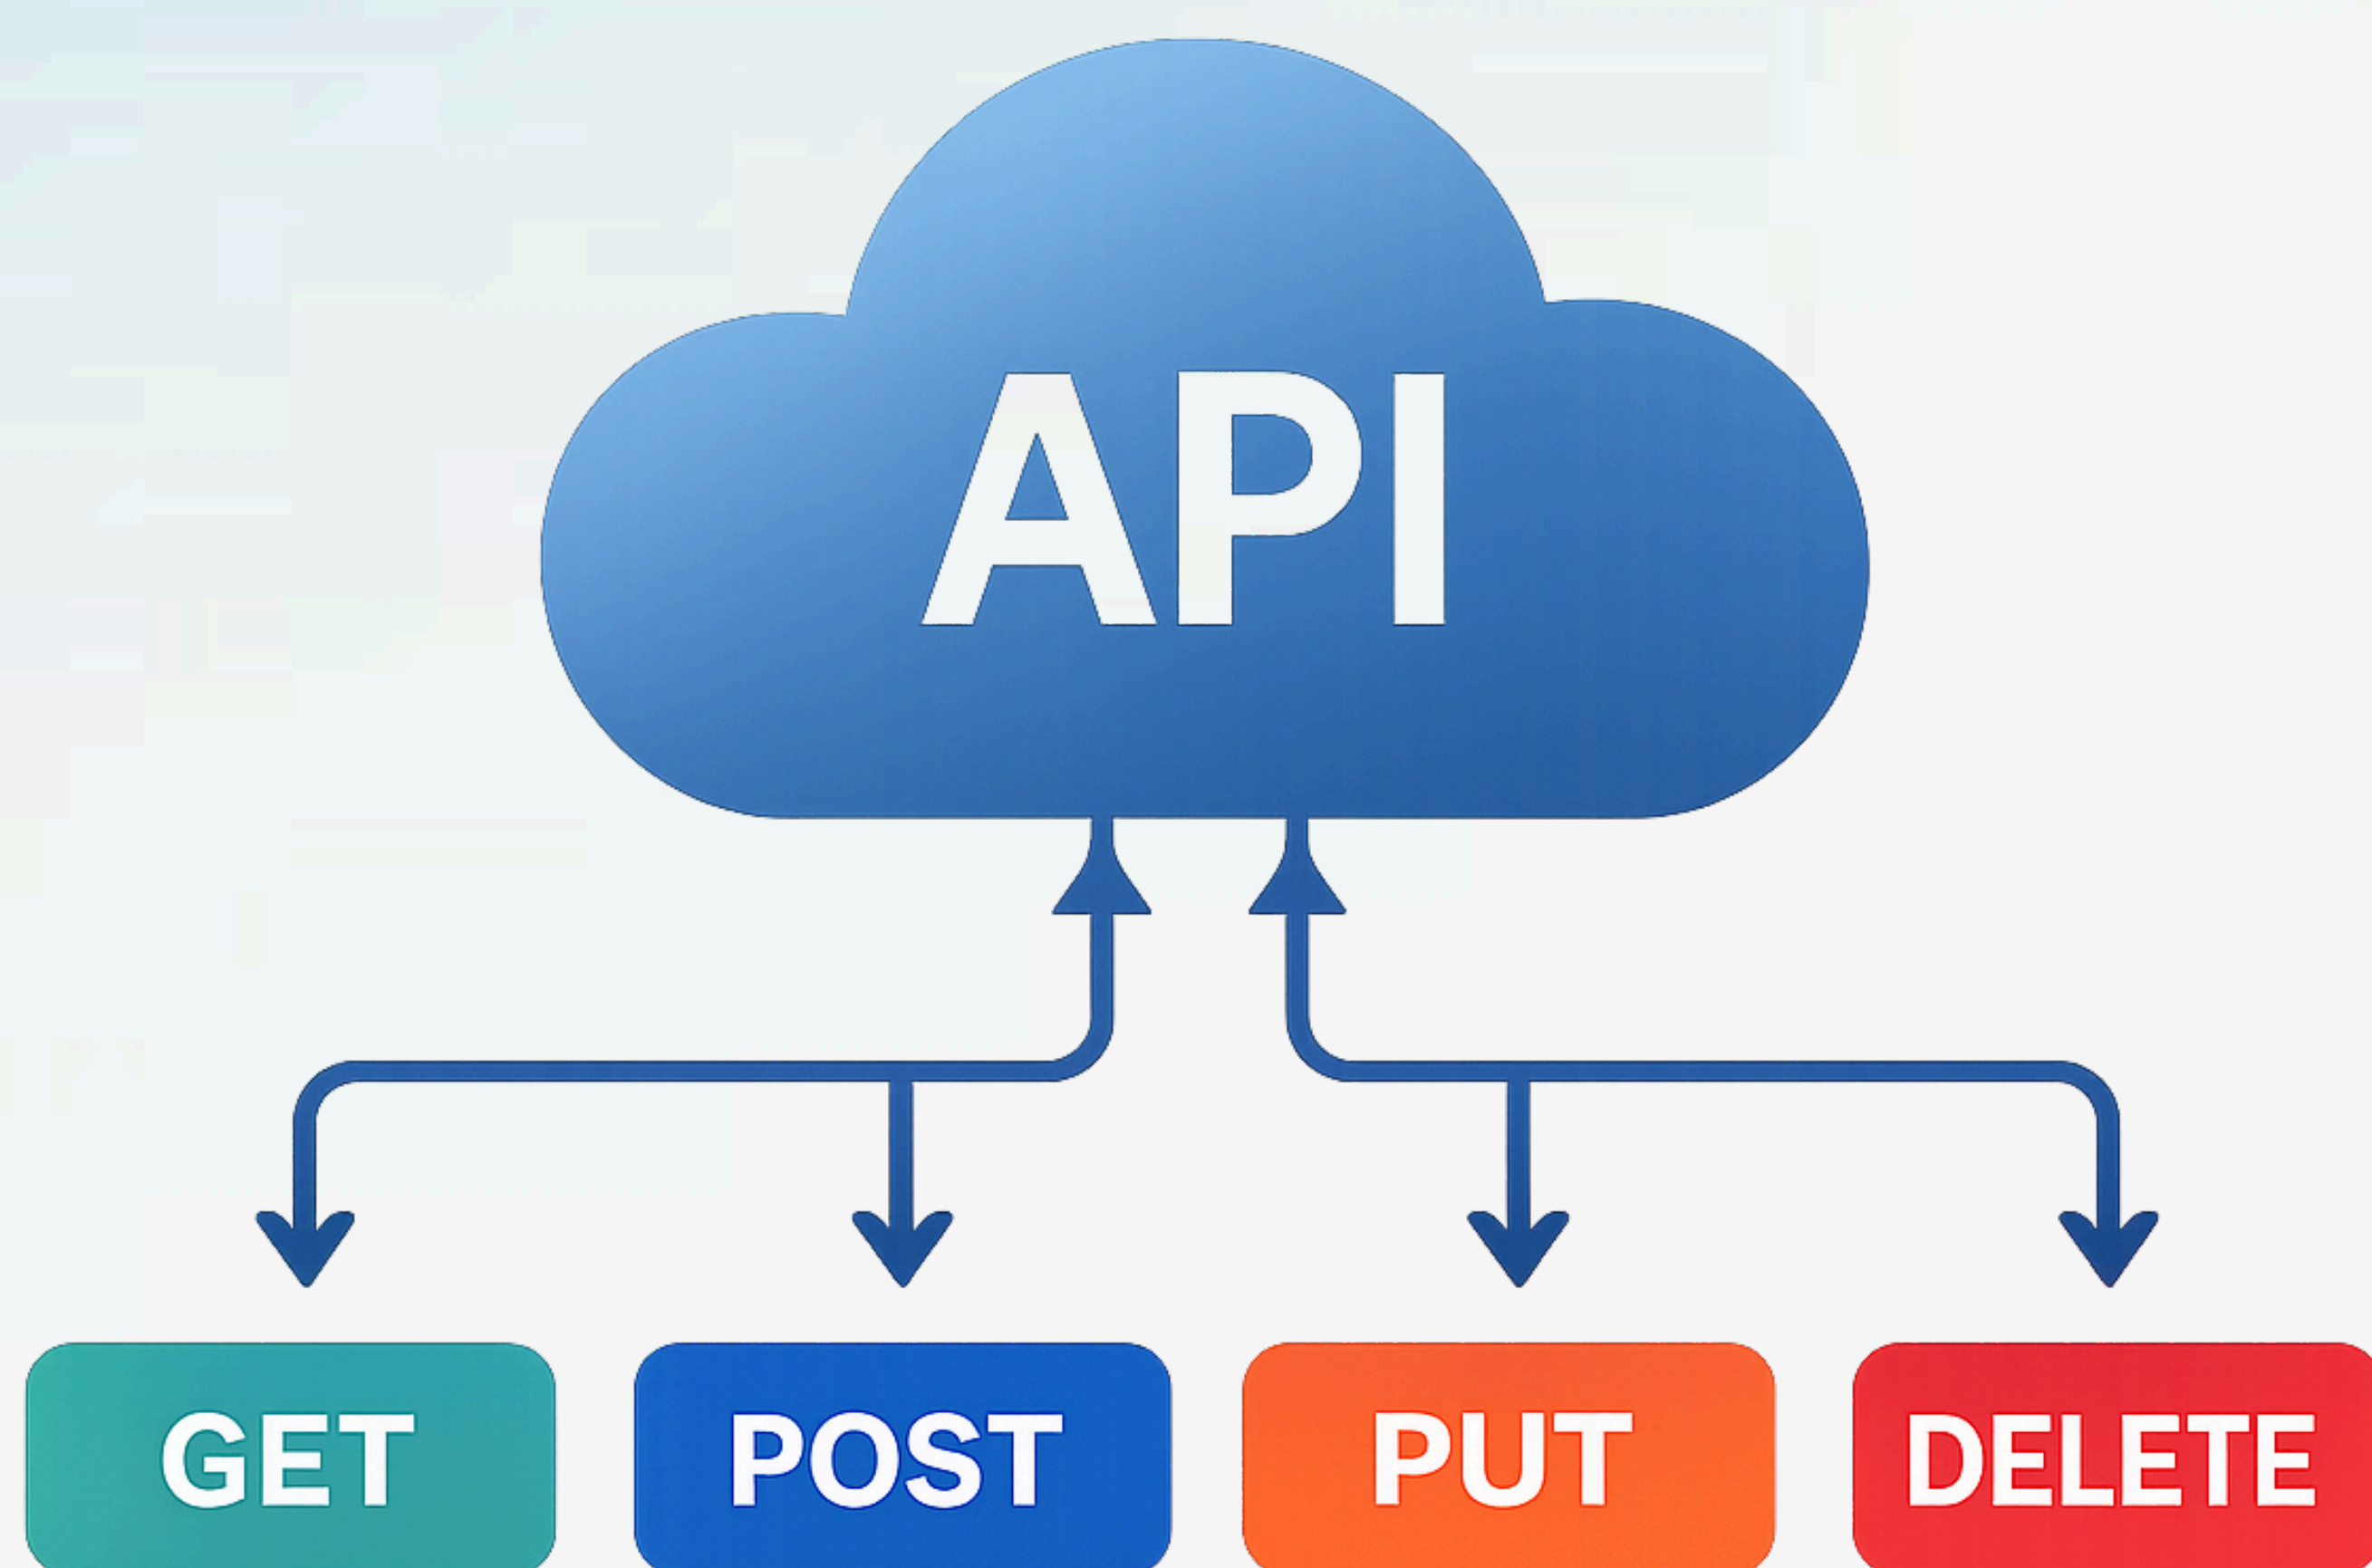

- Page Object Model (POM)
- Reusable Components
- Data Driven Testing (JSON, CSV, Excel)
- Fixtures
- Hooks
- Reporting (HTML, Allure)
- GitHub Actions
- Jenkins Integration
- Parallel Execution

## GENERATIVE AI FOR TESTING

- Introduction to GenAI
- Prompt Engineering for Testers
- Using AI for Requirement Analysis
- Test Case Generation using AI
- Playwright Script Generation using AI
- Playwright MCP Server
- AI Agents for Testing
- AI Assisted Test Execution
- Result Analysis using AI
- Interview Preparation and Real-world Use Cases

## GENERATIVE AI FOR TESTING

- API Testing Basics
- Introduction to APIs
- HTTP Methods (GET, POST, PUT, DELETE)
- Request and Response Validation
- API Testing using Postman
- API Testing using Playwright

## DATABASE TESTING BASICS

- Introduction to Database Testing
- Basic SQL Queries
- Data Validation Concepts

```
SELECT *  
FROM users  
WHERE status = 'active';
```

Building Skills.  
Inspiring Futures.  
Creating Impact.

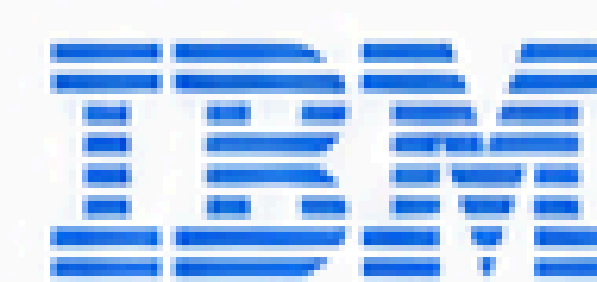

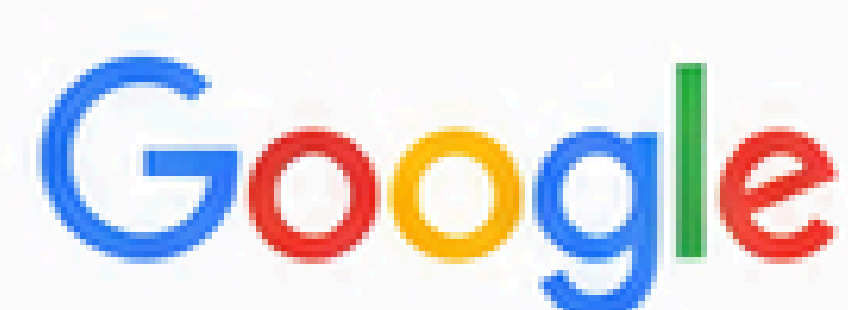

Thank you for being a part of  
our journey.

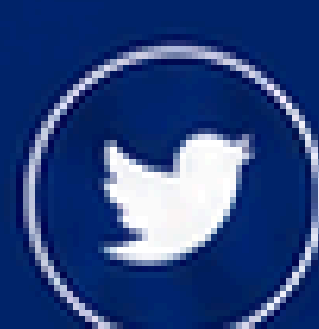

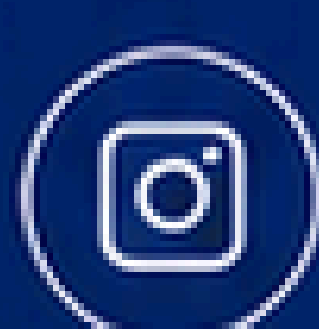

Together, we shape  
a better tomorrow.

Proud to collaborate with industry leaders  
to deliver excellence and opportunity.

Stay connected with us
